

AGENT OF THE WEEK

**BEEN THERE
- DONE THAT!**

**ALLAN
DOBBIN**

In the age of the Vendor looking for experienced Agents to Market their Home, they don't want people who brag that they have been in the Industry for 5 - 10 years, they need people who are Household names in the Area who are experienced in all forms of Real Estate, plus having an idea of Community Values.

I have been involved in all facets of Real Estate over the last 30 plus years, and Vendors have trusted me to sell their most precious asset, their Property... A Mt Evelyn Family, right through to the Grandchildren have purchased through my company over these years, a total

of 7 Homes Bought and Sold!, this is one of the highest compliments that I have received.

Prices of Properties have increased and so have commissions, most Agents these days are not flexible enough with how they negotiate with prospective Vendors. When dealing with my Company you will have the advantage of dealing with the Owner of the Business and using his flexibility, Rates, Service and experience to achieve a successful result overall!
